This year's DVD will be a combination of both professional and volunteer work from the parents of cast members. Brett Carlson, of Aurora Video of Northern Virginia, will film all four shows. This professional footage will be the basis for each of the two show DVD's. James Lee will edit the raw footage for the shows.

We will also add a bonus DVD again this year with many candid scenes from show rehearsals, costume making, registration, parents' meetings, as well as interviews from the show directors, choreographers, committee chairs, and various cast members. James Lee will perform the editing of the bonus footage. Catherine Lee will duplicate and package the final product. We will also produce a photo DVD, comprised of many amateur pictures submitted from parents of cast members. All show DVD's will be reviewed and approved by the Board of Directors of the Gardens Figure Skating Club.

Specific disc prints of either show DVD, bonus DVD, and photo DVD may become available. Check the Club bulletin board for updates and samples. Please email Catherine Lee at [gwtwkatiescarlett@yahoo.com](mailto:gwtwkatiescarlett@yahoo.com) if you would like to specify a disc print. If there is no preference, you will receive a disc print chosen by Catherine Lee. If there is a special picture that you would like to have printed on your disc, please email Catherine Lee. We may be able to accommodate you, depending on the number of requests that we receive and the style/quality of the picture. Order forms are also available for download on the club website. You can email it to Catherine Lee and send the check to the above address.

Due to the difficulty of record keeping, we will not be offering the individual show DVD's. Alternatively, we will be offering the entire 4 disc package for **\$35. The package contains the two show DVD's, the bonus DVD, and the photo DVD.** (Last year's package price was \$50.) We will announce DVD distribution times via email and the website. If you cannot attend any of these mass distributions, you can contact Catherine Lee, or the distribution contact person, and schedule a mutually convenient time and place to pick up your DVD. If you would prefer to have your DVD mailed, please add the \$5 shipping fee. We will use USPS regular mail.

Please do not duplicate these DVD's or photos for distribution among potential buyers. The DVD's are fundraisers but are priced modestly to offset costs and still be affordable to cast members and parents. If you would like to purchase a copy of the Little Mermaid On Ice DVD package, please complete the following information:
