### Refund policy

Show fees partially offset the cost of Ice and choreography. If for some reason you need to withdraw from the show prior to the first rehearsal we will provide a full refund of the show fee. After the first rehearsal we will deduct the cost of the member walk-on rate (i.e. \$20) per week.

There will be no refund for any reason after the sixth week of rehearsal.

---

### Volunteering

Producing a show is a cooperative effort. All skaters are expected to have at least one family member volunteer to help in one or more areas before, during and after the show.

Please note that you should not expect to see the show during a show that you are working.

### Tickets

All families are expected to help sell tickets and buy tickets for the shows they will be watching.
